## POSTGAME QUOTES

### >>> SOUTH CAROLINA HEAD COACH SHANE BEAMER

#### **Opening Statement**

*"First of all give Georgia credit, your football team they show that today. Second of all, we apologize to our fans that were out here today. That was a poor performance to say the least. We challenged them in the press conference during the week to show up and they did. It was an unbelievable atmosphere throughout the game. For a noon kickoff that was awesome, and was great. The atmosphere pregame was great, and they were fantastic. Sorry, we didn't coach better and play better for them. Obviously not a lot that went well today. We've just told the team in there we're not playing well. We're not playing our best football right now. And that starts with me as a football coach. Obviously, I could have done a better job of getting our team ready to play today, regardless of how many guys we had out. We had a good enough team to go out there and compete better than we did today. And we didn't do it. We're going to get right. We're a fourth of the way through the season. We've played three games. We've got to get better. We've got to get right back to work and continue to find a way to play winning football. However, we turned it over three times today, so not going to win football games doing that. I sound like a broken record coming in here every week talking about the turnover battle, and we haven't been good enough. Injury wise you obviously got five starters out on defense today. Jaylen Nichols was out on offense. So anticipate all those guys being back next week. Devonni Reed hurt his hip, he's getting an x-ray right now. We'll see what the results are of that. We lost Darius Rush during the game to a hamstring injury. We'll see what the MRI looks like on that and then Stone Blanton went out with a with a shoulder (injury). So clearly we've got to get better and we've got to get healthy without a doubt."*

#### **On how to prepare the offense for next week...**

*"We just played the number one defense in the country, they've given up a total of three points for the entire season. So we had some good stuff called today. I know if you guys go back and watch the video you're going to see a lot of guys wide open at times and for whatever reason we weren't able to connect and when we turn the ball over, it makes it harder. At times we didn't finish drives like we needed to. Got to be better in the red zone when we get down there. And just finishing drives all together. But to me it's go back to work and continue to figure out how we're going to move the football and score points and stop the run, stop the pass and everything else on defense. Did we play well on offense today? No, but we didn't exactly look like the '85 bears out there defensively."*

#### **On if the fake punt was in the game plan ...**

*"Yeah, we felt like we needed it with us missing five starters on defense, just from a depth standpoint. If Georgia was out there for a ton of plays today, it was going to be kind of like the bowl game last year against North Carolina. We needed to control the ball and score points and then take some chances and we didn't really have to take chances against North Carolina in that ball-game. But yes, we felt like we were going to have to go for some fourth downs today, which we did. Then we felt like we were going to need to steal a possession special teams wise as well. So the fake punt was something that we had a general idea if we came out in that formation, how they would line up and our guys did a good job of executing that. But yeah, that was something that we wanted to get to early in the game and at that point, I think it was 14-0 and we hadn't stopped them yet. I wasn't going to put our defense back out there for another drop at that point. "*

#### **On the message to the team after the interception...**

*"I mean, we just got to be smarter with the football right there. We got a chance to go in there and score points and it's disappointing to turn the ball over in there when you go into score. We felt like if you go back to last year's game, we had a deep ball to Josh Vann on the first series of the game. Jalen Brooks made plays down the field in the game last year as well. And we felt good about our opportunity to make plays downfield. Jaheim showed that on that one, and, you know, we just got to not make mistakes like that down there in the red zone."*

**SATURDAY, SEPTEMBER 17, 2022 | WILLIAMS-BRICE STADIUM | COLUMBIA, S.C.**

### **>>> GEORGIA HEAD COACH KIRBY SMART**

*On ... What did you think of Brock's performance today?*

Quote "I don't even know his numbers. This new thing about Brock is so hard you don't get to measure is the amount of tension and draw, you know, 121 whatever that is, yards, top five, but you know, three or four of those plays that Brock made there were people blocking down the field, elite blocking down the field. So Darnell Washington on one of the little crack screens we run, pins a guy and holes are created through displacement."

*On ... this year's defense, how much the guys have to prove, how he is seeing that play out*

Quote "Well they practice really hard. When you practice hard you get better. So, I mean, our coaching staff – and we've got coaches on our staff now that came from other places and I had one of them reach out to me and say, the amount of detail and the amount of detail you put on your scout cards... so when you do the game, it usually makes it easier, you know, if we can play offensive coordinator and script up the hardest plays and I think coach Schumann and that defensive staff man, they work long hard hours to make sure our guys see you know some of the toughest plays, even then you don't get it all right you know, but it certainly helps having ways to affect the quarterback, good pass rushers, and it helps to play from the hip, which you know our defense has been able to do because we have scored on offense"

*On ... Spencer Rattler*

Quote "On the shots they took, you know, there's some plays they made down the field, we got to get better at that, we got to go to play on the perimeter... If you disrupt the quarterback's rhythm and you don't allow people to run the ball which, you know, so far, we've been hard to run the ball on, it makes people one dimensional, you know, and we have to continue to do that."

*On ... how the championship has affected the team*

Quote "I don't think the championship helps, itself, I think the standard was created last year and the legacy was left, that was a really special group, and that still lingers around our building, not the championship, but the fact that the way they practice the way they carry themselves. There's a lot of kids that try to emulate those guys that are gone and they're good kids."

### **>>> GEORGIA PLAYER QUOTES**

**Stetson Bennett • QB • Sr**

*On ... how tough it was to play here*

Quote "Yeah, I mean this is the hottest place in the world, it is fun, but it wasn't even temperature. I don't know what it was. But it was still hot. And it's loud and they play Sandstorm. I think we did a good job after the first play. You know, composure, resiliency, you know, came back and didn't have any other problems."

*On ... emphasis to get the ball into the hands of the tight ends*

Quote "We got playmakers, we need to get the ball into their hands, but its who's open on that play and that's how our offense works, and I know that frees everybody up to get the ball."

# **SOUTH CAROLINA (1-2, 0-2) vs. #1 GEORGIA (3-0, 1-0)**

**SATURDAY, SEPTEMBER 17, 2022 | WILLIAMS-BRICE STADIUM | COLUMBIA, S.C.**

## **>>> SOUTH CAROLINA PLAYER QUOTES**

### **Juju McDowell • RB • Sophomore**

*On ... how do the RB's avoid frustration*

*"Trust. Trust in each other, in the coaches, the game plan. Because I'm sure you guys see a lot of the time in University football programs over the country. They might do good a couple games, they might have a terrible couple games, but when they lose trust, the rest of the season just goes into shambles. The more we maintain trust the more we realize that we are not far off from where we want to be."*

*On ... moving on after a loss like this*

*"For me personally after the game I pray, I see my people, I talk to Coach, and my teammates. And whatever happened three hours ago is dead, like, you can't turn around and go back to it. So the more you relish on that, the worse off the rest of the season is going to be. So I feel like it's just those 30 minutes. That's it. You take it past 30 minutes, you are doing nothing but deconstructing the team."*

### **Spencer Rattler • QB • R-Jr**

*On ... Offensive Struggles*

*"I think that's probably the best defense in the country and we put ourselves in some bad situations. They did a good job checking a lot of stuff versus our looks ... As a group, myself, we all gotta play better so it's not the end of the world. We're gonna get back to work tomorrow this week and get back on track."*

*On ... Getting things back on track offensively*

*"It's a lot of things. I mean, it's not just one thing you know, personally I have to limit the turnovers, the interceptions. Especially because we'll be throwing the ball a lot. So you know, you got to limit that. You know, I felt like we ran the ball decent today when we were on a roll. You know, it's just we got to clean up everything I think, and just getting a better flow and not get ourselves in bad situations and not getting these third and longs and this and that and we just got to make it easier for ourselves and we're not right now."*

### **Brad Johnson • LB • R-Sr**

*On ... trying to force more turnovers in future games*

*"Well, I think we just got to think about it. We got to think about it and we have to go out there and do it. It was an emphasis last year and it's still an emphasis this year. But I feel like we just have to, us as players and coaches as well, reiterate it on the field. We have been thinking about it constantly and have to practice it more."*

### **Nick Emmanwori • DB • Fr.**

*On ... getting his first two starts in SEC games and battling injuries on the defense*

*"I've been dealing by getting into film study a little bit more with Coach Gray and watching the film maybe like every day after practice, you know. So just understanding the scheme and trying to do my part on the defense as best I can."*
