

GEORGIA FOOTBALL

Overall this year, Georgia has rallied to beat No. 15 Tennessee in Knoxville, at Auburn, No. 5 Ole Miss in Athens and now UF in Jacksonville.

***Series History:** With today's 24-20 win, Georgia extended its winning streak in the series to five and now hold a 58-44-2 edge in the series history. The Bulldogs are 8-2 against UF under Kirby Smart. The Bulldogs are now 38-3 in their past 41 SEC regular season games.

*In a tie game, UF got the ball to start the second half and Georgia forced a three-and-out for five yards. Then, UF went 79 yards in 12 plays to tie it at 17.

*With UF leading 20-17, UF attempted a 4th-and-1 at the UGA 18, and the Bulldogs stopped Jadan Baugh with **Raylen Wilson** and **Elijah Griffin**.

*Junior DL and Jacksonville native **Jordan Hall**, who started and was a game captain, injured his left leg on the first possession and did not return.

*Sophomore DB **KJ Bolden** was flagged for targeting with 1:36 left in the first half and was disqualified for the remainder of the game.

***Special Teams Update:** Senior **Brett Thorson** had six punts for a 43.0 average including a season-high 66-yarder and three placed inside the 20. His first punt went for 24 yards. UF responded with a 40-yard TD to tie the game. His next two punts were pooch efforts and fair caught at the UF11. In a 17-17 game in the 3rd quarter, Thorson had a 49-yard punt with no return. He had a 56-yarder with a six-yard return in the 4th quarter.

*Junior PK **Peyton Woodring** tallied six points on three PATs and a game-tying 39-yard field goal at the end of the first half plus he handled the kickoffs.

***Captains, Coin Toss And For Starters:** Georgia's captains were **Dillon Bell**, **Gunner Stockton**, **Jordan Hall** and **Raylen Wilson**.

*Florida won the toss and elected to defer the ball until the second half.

*Georgia started the same offensive line for the second straight game. This front four first made its debut in week three in a road win over No. 15 Tennessee, and due to various injuries, that unit only returned against No. 5 Ole Miss and now Florida. The line featured **Monroe Freeling** (LT), **Micah Morris** (LG), **Drew Bobo** (C), **Dontrell Glover** (RG) and **Earnest Greene III** (RT). The Bulldogs have started six different OL units this season.

*Junior **CJ Allen** owns the longest streak at 11 games dating to 2024.

Coach Billy Gonzales

Press Conference

Georgia 24 Florida 20

BILLY GONZALES: First and foremost, I thought the players played extremely hard. Thought they fought. Proud of them. They did not quit. I told you guys before they do not have quit in their DNA.

Obviously we're not here for moral victories. We came up short and we came here to win. So we have to continue to work to get better.

Overall, this group of men in there, just had a chance to talk with, I told them I respect them. I respect them for the way they handled change over the past week. Respect them how resilient they've been over the past week. I respect how they've responded and taken ownership of this team.

I'm extremely proud of them. But I know they're hurting, our staff is hurting, I'm hurting. We came here to win and we fell short.

Gators expect a winner, so we have to get ready to get back to work. Got four more games ready to roll we can win. We have to continue to get better in all facets of the game.

So open up for questions if you guys have some.

Q. The short yardage, fourth and one.

BILLY GONZALES: Yep.

Q. (No microphone.) Thought about doing that or feel like the way you guys were running the football that was the way to go?

BILLY GONZALES: No. No second thoughts. We will take a look on film and see what happened. I haven't had a chance to look at it or review it yet. Obviously critical play for us, but never going to second guess it.

Our guys, you know, we had to go for it. We had to go for

it. If you kick a field goal you're still down. If they go down and score you're still down a point. We will take a look and see where we went wrong, but no second guessing as far as the play that was called.

Q. How would you assess DJ's performance?

BILLY GONZALES: Yeah, I'm just kind of looking at him. He was what, 15 of 24 today, 166 yards. They did a pretty good job on defense. They do a good job. They threw some pressures and played some two high, one high, man coverage, zone coverage, behind it.

They do a good job. So obviously DJ put us in great position to be in the game at the end of the game right now. So it was a close game like I said. We didn't have the outcome that we wanted, but we would have never been in that situation if we didn't have DJ playing the way he was.

Thought he did some really good things. He had a career long in a run. He showed that I'm not afraid to run the ball. He's a willing runner, so absolutely.

Q. (Regarding Trey Wilson.) His involvement today. Had some opportunities. Seemed like he was pretty comfortable.

BILLY GONZALES: You know, we talked this week over -- earlier this week up in Gainesville just about the way he worked over the last couple weeks. He's going to be rewarded based on how hard you work. Couple weeks ago he wasn't as active as as far as being able to get the ball, but he busted his butt in the blocking game.

Obviously with a couple playmakers down, we had Aidan down, VB down, and Dallas was down here in the middle of the game. He stepped up. I'm looking at some of the numbers. He had nine catches for 121 yards. He did a great job. He's got big play making ability.

So it was something we kind of saw throughout practice. He did a great job in practice. Everything that he did today he made in practice. That's kind of the expectation, to be able to make the plays you're doing consistently in

practice.

Q. No moral victories but what do you think this team showed in terms of talent, fight? Obviously going into the future a lot of people are looking into the future.

BILLY GONZALES: I think this football team, again, they have no quit. They're a gritty team. Again, like I said, I'm just super proud of how they have bonded together. I just got done talking to them. Extremely hard. Extremely hard.

They want to win. This team is not here to play. They want to win. I'm proud of them. I'm proud of them. Again, like I said, we got to go back to work as a staff to put them a better position so we can be successful and walk out of here as a winner.

Q. (Regarding third down.) 2-11 today. What were the issues?

BILLY GONZALES: You know, I was looking at some of the stats. They did a really good job controlling the ball in the first half. I'm looking at something, just the first three, or three of them from the first half.

They did a great job controlling the ball and keeping the ball, but our defense did a great job. Our defense didn't break. So we ended up getting the ball in minus 11, minus 9, minus 11, putting our backs up against the wall. You can look at it as a negative or as a positive. I look at it as both.

We got the ball deep with our backs against the wall but our defense did a great job in keeping them out of the end zone. So we have to be able to -- we have to be better than that and make sure that we're better than 2-11 on third down.

I do think they came back, our players came back, made some adjustments from the first half to second half. Coach Callaway, Coach O'Hara, and the offensive staff got together. If I'm correct, the first drive we were three and out, which is not what we want to be. Second drive was a 15-play drive and went down and scored.

So, again, hats off to our players for not giving in, not stop fighting. I love them. We're here for them, for our players. But we have to continue to grind and put them in the position where they can be successful.

Q. (Regarding defending Gunner Stockton.)

BILLY GONZALES: He's a good football player. He's a good football player coming into the game. He was -- had a good game today. Again, our defense played really

good. I thought they did some -- they moved around. They challenged him a little bit. Got an interception. So I'm excited about the way that guys played.

Again like I said, most importantly, I'm proud of this team, the way they responded to change. It's not easy. I'm just super proud of this team the way they responded and the resiliency, and they're not going to quit. We're going to get ready and get back to work and get on the bus and go back to Gainesville and start working again tomorrow and get ready for the next week.

Q. Sturdivant slips behind the defense and looks like the ball is slightly overthrown. How tough was that to stomach?

BILLY GONZALES: It's hard. We're going to go back and watch film. Probably going to be more than one of those type of plays. But, yeah, it's one of those things. Just didn't work the way we wanted it to work today.

We've got to continue -- like I said, as a staff we got to continue to grind, got to continue to work, got to put our players in the best possible position. Again, these guys, I keep giving praise to them. They have not quit and there is no quit in them.

So if they're going to fight for us we got to continue to fight. If we play like this we're going to be okay in the next four games. We have to continue it and keep pressing and keep getting better.

The seniors got to continue to lead. Young guys got to continue to get better and we got to just keep fighting.

Q. Did you think it was a catch?

BILLY GONZALES: No.

Q. What can you say about the opportunities he gives you?

BILLY GONZALES: He's a weapon. Absolutely a weapon. Soon as you get over on the plus side and you can -- Coach Houston, he's usually in my ear talking and letting us know where we are, where the kick line is.

Any time you got a guy that can put the ball in and get points from distance, that's gives us a security blanket.

So absolutely, but at the end of the day as a offense we want to do a good job, create big plays. Big plays create into points. We did a better job I think at some points with penalties. We still had five of them.

We have to eliminate that process. Time of possession was kind of flipped. First half they did an incredible job. Kept the ball away from us. We didn't keep the ball in our hands. In the second half we came back and put some drives together and it's pretty close, 27-32, looking at some of the stats.

But, again, we just got to bounce back. We have to keep our players together. Again, that's my whole mission, is to keep the players together, keep fighting, keep them together as a family. Again, I just thank them for that.

So...

Q. What's the status of Dallas Wilson?

BILLY GONZALES: We'll find out a little bit more. Obviously he was injured so I'll find out. Haven't talked to him or the training staff right now.

Q. (No microphone.)

BILLY GONZALES: You know, I think the -- there was -- we moved the ball the way that we needed to as far as getting aligned. Can you be faster? You can always be faster. But at the same time there are looks that you want to shift to try to get the defense in the proper look. We are going to motion at times where we need to motion to try to create picks. I shouldn't say picks, but trying to create the natural rubs.

Again, to try to put our players in advantageous situations based on run plays.

Q. Given the context of everything the past week, the changes, Top 5 team, rivalry, all that, I know it's a loss, but what kind of challenge was today? And for them to have a lead in the fourth quarter, I know you don't want moral victories, but...

BILLY GONZALES: It was good. If you take a look from the standpoint of what happened and what could have happened, yeah, it's great. But at the end of the day we did not win. That's all that matters. Okay?

So our players played hard. They fought. They know this. There are no moral victories. You win or you lose. I told them they're going to have challenges in life. They're going to be dads, fathers, husbands someday. There will be challenges in life that will affect them. How you respond is the most important piece of it. How you handle adversity, you control your emotion.

Nobody controls your emotion. You might not always control the situation that you're in, but you control your

emotion and how you respond. I just got talking to a young man in there, a freshmen, and told him how important that was. Continue to keep pushing and continue to keep fighting.

I love them. I love our players. Our coaching staff loves our players. We're going to continue to fight for the University of Florida. We believe in the program. Our players believe in it. We're going to continue to keep fighting to get those wins.

Q. More verticality today. Talk about that.

BILLY GONZALES: You know, we talk just about giving our players an opportunity to run a little bit. You know, the thing in the pass game you always want to try to design pass plays, whether their one high or two high beaters or top down level beaters or progression reads. Okay?

It's all dictated -- what shot you're going to be able to take is going to be dictated by the defense they're playing in the back end. So are there times you wish you could take the ball deeper? Absolutely. They might be playing zone thirds. Are there times you can throw the ball with a runner? Well, sometimes they're playing zone or man.

So the defense dictates where you're throwing the ball, but offensively we try to have those answers based on the coverages we're given.

Q. DJ, kind of put the ball in his hands as a runner more?

BILLY GONZALES: Absolutely. I think I talked a little bit earlier about that. We've never been afraid of it. He's always been a willing runner. Any time you got a willing runner I think that opens up. What it does is opens up and makes the defense defend you a little bit.

So, yeah, when you can spread it out a little bit and they're going to play four man or five man box and you have an extra hat, he becomes the runner. He's big, strong, he's fast. He's plenty fast.

Again, the only thing that matters is if you're a willing runner. If you area willing runner, then you'll be productive in the run game as a quarterback.

Q. I'm sure you're thinking about the result of this game, but could you take us through your perspective of what Coach Gonzales took over and how that kind of impacted you guys as you are going into this game, kind of the motivator he's been for you guys?

TYREAK SAPP: I feel like Coach just pushed us. He just told us it's a lot more football to play. We got a lot of things to look forward to, and no matter what situation we're in, nothing is going to stop for us just because we got our head coach fired or whatever the case may be.

Nothing stops. It's either we get up off the ground and keep going and keep fighting, keep scratching and clawing or back down and lay down. I don't think we got any lay-down in anybody on this team.

So that was just the main focus.

Q. Tyreek, talk about just after the bye week and everything that happened, what was the motivation for the defense to come out and really play a pretty good game? I mean, just what do you guys talk about through the change as you prepared for Georgia?

TYREAK SAPP: Don't get complacent. Don't get tired of doing the little things right. It can become easy when you start to get a little praise or you start to get a little notoriety, people start to notice you. You start to back off on certain things. So just kept being accountable to each other and showing up every day and letting each other know that no matter what goes on, no matter if this helicopter crashes, we still going to respond and be there for each other.

That was the main thing, just showing up every day and working, because we still got a lot of things to work for and to work towards. So it was -- it was -- obviously it's something that can affect you, but we just obviously being leaders on this defense, having leaders, we told ourselves don't get complacent. Keep pushing and keep fighting and keep scratching and clawing for those extra inches,

because it counts.

Q. So many close calls in the last four years. This one. How does this one rate as far as the pain of losing?

TYREAK SAPP: It stings. It stings. It hurts bad. It hurts bad knowing this is my last time I'll ever get to play in this game in this stadium with my brothers. It hurts bad. It hurts a lot.

You know, I try to do my best, to lay it all on the line, make as many plays as possible, do the best I can for my brothers. That's what I tell them. I'm going to give them all I got and I am going the best I can to put us in positions to be victorious.

We came up short tonight. You know, we going to chalk it up and talk about it and then we going to put it behind us.

But it hurts a lot. It does.

Q. This defense has obviously played tremendously hard all season long. Fourth quarter stops and stuff, is that the next step for you guys? Because 2017 and they go 82 yards?

TYREAK SAPP: Yeah. Yeah. It was -- that was a long last drive, but obviously we know we got those things to correct. We are going to go in and look at the film and try to get them corrected. Obviously not try to those things corrected, get those things corrected and then just go on to the next, kind of try to put this to bed and behind us.

Yeah, it hurts. Going to hurts for the night for sure.

Q. You mentioned hurt. Can you bring us through what you guys talked about after the game, the emotions in the locker room? How is Gonzales as a messenger, too?

TYREAK SAPP: The main thing, especially for us as a team, Coach just told us stay together. Don't splinter from each other. No matter what, we the only ones that can get each other through these moments. Not the coaches or

ASAP . . . when all is said, we're done.®
sports

anybody else. We as a team, the players.

So he just told us to do that. We just going to keep working, keep chopping wood, keep waking up every day. Obviously the sun is going to come up tomorrow. We are going to wake up and get out of bed, hit that facility and watch that film and get back to work.

That's our job and duty. No matter what goes on in this world, it's not going to stop for us. Nothing is going to stop. So we can't sit around looking for sympathy from anybody. We just got to go about it, put our head down working and get back to it.

Q. How have you built mentally this year? Your personal journey, you're obviously have aspirations of playing after this year.

TYREAK SAPP: Yeah.

Q. What has this year meant to you?

TYREAK SAPP: It's meant a lot. Obviously not everything that I wanted, but a lot of times in life you don't get exactly what you want. I don't have that choice to chose that. I have a choice to wake up every day to get after it and give my brothers everything I got because I owe it to them. I do.

Q. What did you think about the way you guys defended Gunner tonight. Sacked him twice. He made some plays, too.

TYREAK SAPP: Yeah, he's obviously a great quarterback. Dude, he can read coverages, he got a good head on his shoulders. He can sling it through. Has a good arm. Has a good arm. Trying to contain his legs because he is a dual threat. He can hurt you with his legs.

Did that the best as we can and just try to limit him, in the pass game get pressure on him and get him off the spot. Just play the game, play the game, feel it out, feel him out. Get our cleats in the ground and get set and just play ball.

So that was the plan. Nothing spectacular. Just what you would do with any quarterback. You got to get after them and get pressure on them and get them off the spot and force them to throw bad balls.

Q. What to say about this group of guys that you pushed Georgia the brink? That hasn't happened in a while with the Gators.

TYREAK SAPP: I think it says that we -- a lot of teams and a lot of times you can go into a game like this and a

situation like this and not play to win. So we weren't playing to compete with these guys. I don't see them, this team as being inferior to them. I don't see them being better than us. We go out to win. We don't just go out to play, to compete. It's not like that.

Like we going to go out there and show you, too. There is going to be a wake-up call when you play us. It's not going to be one of those games where you just roll your helmet on the field because your team logo's on the side of the helmet you're going to win. We don't even think that of ourselves. We reality check ourselves all the time.

Just because your helmet got that Gator logo on there and it's a rich history, you still have to go out there and play and get it done. That's the simple fact of the matter.

Q. I see obviously you're wearing the Play For the Patch shirt. What does that message mean for you?

TYREAK SAPP: Play for the Patch, play for the logo on the and then honor the name on the back. That's all it is. We just owe it to each other to play for that Gator logo and that Gator brand, and it's obviously people that came before us that have laid a foundation and a tradition, a legacy and laid a standard for us, and so we just do our best.

We do our best. Give everything we got to honor that. Whatever it takes, we'll do that to honor that. It's the last thing on our mind to let people down who have played here and wore this uniform, to let them down and put out something that's not adequate and that's not -- that shows that -- that doesn't show that we care.

So we do care about that and we do care. It's more so the patch than the name on the back. We just play for the guys next to us.

DJ Lagway

Press Conference

Georgia 24 Florida 20

Q. Hey, DJ, just how do you feel about your performance tonight, just the offense with Ryan calling plays?

DJ LAGWAY: Yeah, it was not good enough. We accident execute when they needed to execute. We got to continue to perfect some things and get better at some things.

Q. What did you feel like did you well and what were some things about your performance that you weren't happy with?

DJ LAGWAY: Moved around a little bit better than I have in the past. Legs are starting to get back under me; starting to feel like myself again. You know, every single day I'm continuing to get better. That's the plus side.

Missed some throws. Could have hit J. Michael in a better throw there. Throwing off one leg. Should have put a little more on it.

You know, just not making the timely throws.

Q. What did you see on this play? Did you see Michael come open late?

DJ LAGWAY: Yeah. He kind of came open late. He was like the fourth progression on that. I was still going through my progression. I was out of the pocket. Then right when I kind of popped up and looked up I seen him. I was already on my left foot. I just tried to get it out to him; should have put a little more on it.

Q. Yeah, the fourth and one play that was -- was that kind of a read there and you just kind of gave it to DJ and he went to the line? How critical that was play as well as between that and Sturdivant in the fourth quarter? Seemed like it was a game of inches.

DJ LAGWAY: Can you say that again?

Q. The fourth and one play, the short yardage play, was that kind of a read there? Could you have kept it or was it just a straight handoff to Jadan? How tough was that as well between that and Sturdivant -- you guys coming up short on both...

DJ LAGWAY: Just a straight handoff. Tried to fake them out. So, yeah.

Q. DJ, obviously a lot of upheaval and change going on within this program. From your perspective what sort of role have you been taking on in the locker room to make sure this is a smooth transition into whatever the regime becomes after this?

DJ LAGWAY: Yeah, for sure. What I preach to my guys is every day we got to continue to work. It's us against the world. It's all about us. We got to keep the team together. That's what I'm preach and what I am going to continue to preach.

Q. You're without Vernell and Aidan and you lose Dallas midway through the game. How hard is that? And also talk about Trey's performance today and him having kind of a big night for you guys.

DJ LAGWAY: Yeah, you know, something about our receiving room, we got all types of guys, man. Lot of guys stepped up tonight. I'm proud of those guys.

But it's always hard not to have those athletes out there with you on the field. A lot of guys stepped up tonight. Proud of a lot of guys. We got to continue to get better and continue to work. And we will.

Q. Trey specifically.

DJ LAGWAY: What about him?

Q. Just --

DJ LAGWAY: Just talk about him. Yeah, man, he's a baller. I already knew this. So it's always great to get the ball in his hands and let him do his thing. He had a great night. Proud of him.

Q. In terms of just the way you guys kind of responded, you've been asked a little bit, what do you think it says about this group of players and -- obviously there is a future here with a lot of guys on this team, what you're going to bring to program?

DJ LAGWAY: Yeah, every single day going to continue to fight our butts off every single game I can promise ya'll that. The guys that are going to step on the field are going to give it all for each other and we are going to play for each other each and every night.

Q. You mentioned getting your legs under you. Bring us through battling lower body injuries and then eventually coming into today and feeling confident.

DJ LAGWAY: Yeah, you know, I feel like just with a lot of the training things, just trying to get my body back right, you know, I feel like I'm in a good spot. It's just taking it day by day. Continue to do the right things on my end routine-wise and eat the right things and take care of my body is the main thing.

So, yeah.

Q. A lot more verticality in the pass game today.

DJ LAGWAY: Yeah.

Q. Was some of that because you're healthier? Talk about that please.

DJ LAGWAY: Yeah, my shoulder has been feeling great. Feel like teams have been playing us differently. You know, I'd say Georgia, they have the same similar style as our defense. They play -- kind of came from that same branch. They kind of play -- they want to stop the run with two high. They will try to give you a little bit deeper stuff.

So I feel like when we took advantage of them we got on top of them.

Q. DJ, four games left in the season. I don't know if it's the furthest thing from your mind, but getting to a bowl game at this point, where is that in the priorities?

DJ LAGWAY: Oh, yeah, most definitely. Getting to a bowl game is everything right now. Most important is just taking it one day at a time, continue to get better, man, and just focusing on or process and our development.

Q. You mentioned teams playing you guys differently on defense, attacking more of the run. Why do you think that is?

DJ LAGWAY: They watch film. You know, they figure out things and we got to make adjustments and I feel like we have. Just got to execute better.

Georgia Postgame Quotes vs. Florida

Nov. 1, 2025

Georgia Head Coach Kirby Smart

Opening Statement

“Opening statement is that this team just won’t go away. First of all, a lot of credit goes to Coach Napier for assembling this roster. He’s got a bunch of big, tough, physical players, and that’s one of the biggest things. Defensive line, offensive line, they match up very well from a physical standpoint, and they were hard to defend. Tough up front, stopping things, and making it tough. Our kids were very resilient. Another night in the SEC. I don’t know what else is going on around the country, but when you play in this league, every game comes down to the last few possessions. I thought we managed that well. Played the game, obviously in the fourth, had fourth downs where we were able to get a stop. That made the difference in the game. We knew they had four downs. Three-point differential, they weren’t going to kick a field goal there. I wouldn’t have either. Defense made a huge stop. Offense had a great drive, and then the defense came out with another big stop. A lot of credit goes to the players. We’ve gotten better throughout the year. We’re a beat-up football team with a lot of injuries, so looking forward to getting ready for next week.”

On Gunner Stockton...

“He’s a gamer. He plays better as the game goes on when he has to. I don’t think he played his best. They did some good things defensively. They ran some tight coverages. Different from Ole Miss, it was just a different kind of defense in the way they attacked. We’d try to run the ball. We didn’t run the ball as efficiently as we have in the past. That’s every quarterback’s best stuff to some explosives for him.”

On RB Chauncey Bowens...

“Greta runs. I’ll be honest with you, Nate [Frazier] can probably make those runs, too. Dwight [Phillips] can make those runs. [Josh] McCray can make those runs. I’ve got to give credit where credit is due. Chauncey did an awesome job, and I thought that the check on the run for the touchdown was the second biggest play of the game. Gunner saw something, changed the ‘O-line,’ picked it up. It’s hard to run that and to defend that play when you’re straining the line, which they were doing. A great check by him [Stockton], and our ‘O-line’ ran it beautifully. We’ve worked on that very hard. Chauncey was worth a great run, so I’m really proud of him. That was a good job, and the toss sweep was a nice play, too.”

On the status of Chris Cole, Jordan Hall and Demello Jones...

“We patched together because we had to. We have some depth on the ‘D-line.’ I don’t know Jordan’s injury. It’s something to do with his knee. I don’t know the exact injury. Demello is something with his elbow. I don’t know how severe it is. Chris Cole is something with his knee. I didn’t get a report before I came in here, so I don’t know. That puts us a little bit down at several positions. We’ll have to have guys step up and play. It’s all over our region right now. Florida was that way coming into the game besides the defensive guys they got back for this game.”

#3 ILB CJ Allen

On what he saw on Florida’s fourth-and-one try late in the fourth quarter...

“It was definitely a huge stop. We knew what it was, a short one, and the defensive line did a good job of getting pushback to cut the offensive line down. It was a great job on defense.”

On playing in this game as a player from Georgia...

“It feels great, especially like you’re saying as a Georgia kid. Kind of just watching this game, and as I got older, and finally being able to play in it. It’s just a dream come true.”

#6 DB Daylen Everette

On the two fourth-quarter fourth down stops...

“It was definitely big. That was something that we definitely needed. When the moment came, we just knew what we had to get and did our best job to deny the sticks.”

On winning close games in the SEC...

“That’s how it’s been the last couple of games, but we try to do a better job of starting faster. We know what type of team we are in the second half. We get more energy as the game goes, and that’s been showing the last couple of weeks.”

#1 WR Zachariah Branch

On what helped him be successful on a career-high receiving day...

“We’ve got a great offense. Just getting a chance to trust this team, trust the positions that we get put in. We’ve got a lot of great players into it. None of that happens without people straining around me. It’s a team sports. They’re doing their job for me, so I have to do my job for them.”

On his brother Zion Branch playing an increased role in the second half...

“I was excited. He’s been through a lot in his career at the collegiate level. Just to see him stay hungry and stay humble the whole time, and then when his opportunity came, he seized the moment. I’m very proud of him and how he handled that situation. I wasn’t even surprised.”

#14 QB Gunner Stockton

On the game-sealing drive to end the game...

“The last drive, our defense got a stop, and we needed to run the ball and run the clock out. It was just kind of the mindset of our ‘O-line’ and all our receivers blocking. They did a heck of a drive just running the game out.”

On his check before RB Chauncey Bowens’ touchdown...

“We had a run. It was something we practiced a lot. The run we were running wasn’t good into it because they were sending some pressure. We checked into the other way, everybody blocked it the right way, and Chauncey ran his butt off. It was a great play.”
